Professor Zhihong Lin
Department of Physics & Astronomy
University of California, Irvine
Irvine, CA 92697-4575

Dear Professor Lin:

It is my pleasure to congratulate you on your Department of Energy Plasma Physics Junior Faculty Development award. This program was established by the Department of Energy in order to provide Junior Faculty Development opportunity for plasma physics researchers. This is a competitive award and you can be proud of your recognition by the Department. On behalf of the Office of Fusion Energy Sciences, I wish you the best in your academic career and look forward to hearing about your continued success.

Sincerely,

A handwritten signature in black ink, appearing to read "NAD", with a long horizontal flourish extending to the right.

N. Anne Davies
Associate Director
for Fusion Energy Sciences
Office of Science
